**Eligibility Criteria**

The ETE service is for individuals who are receiving support for their drug or alcohol use through RiSE and:

- aged 18 and over
- living in the borough of Ealing OR registered with an Ealing GP
- at any stage of their treatment journey

**Referral Process**

Your recovery worker can refer you to the ETE service.

An ETE advisor will then call to arrange a suitable appointment to meet with you to:

- provide further details on the ETE service
- find out more about you and what you want
- discuss your previous learning experience
- talk to you about your previous employment
- agree a personal action plan with you
- discuss your next steps

**Our Commitment**

The RiSE Education, Training and Employment (ETE) service aims to provide a high quality responsive, impartial and confidential service that is tailored to meet your individual needs and expectations.

---

**Contact us**

For more information on the ETE service or any other RiSE service, please contact us on:

**0800 195 8100** (24 hours)
ealing@cri.org.uk
www.ealingrise.org.uk

RiSE currently operates out of a number of locations across Ealing.

**Opening Hours:**

Monday to Friday
From 9.00am to 5.00pm

RiSE (Recovery Interventions Service Ealing) is a borough-wide drug and alcohol recovery service working with people throughout their treatment journey; from engagement, through to treatment, prescribing to aftercare.

The consortium is led by CRI, and includes Central and North West London NHS Mental Health Trust (CNWL), EACH, Ealing Drug Alcohol Action Team and three service user-led organisations: Intuitive Recovery, Build on Belief (BoB) and The Small Business Consultancy.

Education, Training & Employment (ETE)

RISE SUPPORT SERVICE

Helping you to develop your skills and confidence to fulfil your potential, whatever your experience, background or qualifications.

www.ealingrise.org.uk
About the Service:

The RISE Education, Training and Employment (ETE) service can help you to overcome hurdles to take the next step in your personal and professional development.

The ETE service can also help you to make informed decisions about your career choices.

What we offer:

The ETE service can provide you with the following support:

- a dedicated and experienced ETE adviser
- impartial advice and guidance
- a comprehensive ETE assessment
- help with setting goals and planning ahead
- regular reviews and on-going support

How the ETE Service can help:

Whether you want to learn a new skill, gain a relevant qualification or go on to further education, we can assist you.

Once you feel ready, we can also support you on your journey back into meaningful employment.

Our support doesn’t stop once you have found a job or started a course. We will keep in touch with you regularly and should any issues arise we are able to offer support and advice.

Education and Training

If you want to gain new skills to improve your job prospects, learn a new trade, or even just learn for fun, we can help!

Our Education and Training support offers:

- access to Maths, English and Basic IT courses
- local accredited & non-accredited training
- access to vocational training programmes
- local Apprenticeship schemes
- referrals to leisure courses and activities
- advice on funding for specialist courses
- continuous support throughout your learning

Employment Support

We offer advice, guidance as well as practical support on getting back to work including work trials and voluntary positions.

Our Employment support includes:

- identifying transferable skills
- CRB checks & disclosure of criminal records
- job searching, CV writing and interview skills
- access to local ‘Work Clubs’
- voluntary placement opportunities
- in-work support to sustain your job

Additional Support

Our ETE service can also provide advice and signposting to other specialist services including:

- health and wellbeing activities
- mental health support
- childcare
